I AM discernment within the mind, easily prioritizing each situation before me. I AM drawing down the most immense worth from my Higher Self this day, absorbing all details and competence required to fulfill my tasks perfectly. I AM filled with Divine perfection, expertise and an increase awareness of ultimate Justice in all things. I overcome negativity replacing them with understanding of human imperfections as we walk this earthly journey.

Mighty Presence above me uplift me towards the positive mindset for the day, pushing away all fixations upon things which are not part of my highest plan.

I AM now complete and perfectly designed for exactly what I need in life and accept human imperfections as normal condition on earth. I AM enough for all tasks, love, relationships and projects before me. I AM filled with health. I have all resources I need at my fingertips for my body, mind and soul Now.

## **Capricorn - True Power, Achieve and Organize**

### **Affirmation**

I AM accepting the divine blueprint, I AM achieving my divine plan, and am aware of the position I hold on the ladder of Life, and am grateful.

The I AM that I Am, the higher Self in me is the True source of all my achievements and power and assists me each day to reach my highest goals.

I call for its continual pouring into my world. I AM the power, maintaining order, structure for all to follow. My goals are true and right and I Am becoming more and more aware of my divine position I hold on the ladder of Life, and am grateful.

## **Gemini -Duality vs The One Way**

### **Affirmation for Geminis**

I AM Presence, I AM ever increasing the Mind of Heaven within and you are the highest wisdom bringing all parts of me into an uncompromising simplicity. I share and direct key points to those in my circle. Divine Self, release now all information to me which assists my correct decisions each day, sharing what I receive when necessary. I easily resolve and unify all compromising situations. I Am the power of mind receiving higher direction now to guide my day and bring illuminating messages to others as they rise in wisdom.

## **Libra - Melody, Beauty, Karmic Fairness**

### **Affirmation**

I AM filled with the Love of fairness and embrace honesty as my golden ticket to peace within my self. I have a right to live an uncompromising life. My relationships are beautiful, supportive and unconditionally accepting. In honor we give and take helpfulness and support. I AM the divine source of love and strength to those I counsel.

I AM successfully creating bridges for others to walk over. I call for all the abundance and wealth from life while also providing resources for others' journeys as they move towards their success. I Am always real and true with my interactions with others each day and am rewarded by true heartfelt friendships.

## **Aquarius - The water of life, electric waves accelerate**

### **Affirmation for Aquarius**

“I Am the fullness of freedom and purpose now.

I call for that immense power to transform that which is outworn, archaic and stuck into truth and efficiency for myself and those around me. We transform our worlds into vibrant exciting experiences which bring brightness and newness, efficiency and progress in all we do and how we live.

I Am calling into action now expansive opportunity to create rings upon rings around my being of electric newness, refreshing liberation from the mundane and archaic ways.

I AM freedom and at the hub of a vast network of friends, human and divine.

I pour the violet light into all situations now, transmuting and transforming the dense and and undesirable into joy and progress. “

## **Cancer - The Power of My Feelings**

### **Affirmation for Cancer**

“ I AM Now in complete harmony and security within and without. All things are in constant divine safety and I Am filled with golden opportunities of abundance and love always. I allow all good things to come to me each day for my own and others' certainty in life and repel negativity. I AM Harmony and Abundance of every good and perfect thing Now.

Certainty, security, home and closeness with my divine family are always present. I AM rich with abundance of all I require as I provide comfort and necessities to those who are in need. “

## **Scorpio - Resourcefully Skilled, the Detective**

### **Affirmation for the Scorpio**

Higher Presence, restore now my vision as to who I truly AM and always have been.

I call for the Emerald Ray to penetrate into my emotions for healing now. Violet and pink Ray love, penetrate into every atom, cell of my world, transmuting heavy karmic energies of others I have taken on. I AM Now emanating good will and strength everywhere I go and am Renewed.

I AM the penetrating vision going to the heart of each complex situation. My tenacity solves each piece of the problem, layer by layer, section by section until it is resolved and whole. Mystical magical abilities flow through my heart and mind utilizing tools and resources as I work with and for others, accomplishing the desired outcomes. I AM filled with healing energies as I move through my life as a Phoenix Rising from the ashes, I soar ever towards the Sun.”

## Pisces - Exceptional Architect and Magical Doctor

### Affirmation

I AM the full mastery over discouragement and overwhelm. I AM Now replacing all frustrations within myself or those near me with the restorative powers of My Divine Presence's perfect understanding and compassion.

I shift my emotions, my perception to contentment, and I AM infused with awareness as to why things are as they are. I AM always filled with understanding and Am gratitude, and initiating change from the mundane to the transcendent.

Love and liberation from suffering, I easily transcend the pulls of escapism to higher worlds each day. I AM captured by that essence of a truer purpose and mission, and arrange my life around this goal.“
